Edward J. Carroll Promoted to Vice President of Underwriting at ISMIE Mutual
Medical liability insurance veteran tapped to replace retiring Underwriting VP Alan Allphin

Chicago, IL - ISMIE Mutual Insurance Company, a leading provider of medical professional liability insurance services, is pleased to announce the promotion of Edward J. Carroll, JD, to Vice President of Underwriting. Mr. Carroll will oversee business underwriting for ISMIE and its subsidiaries.

Ed joined ISMIE Mutual in early 2017 when he was appointed as Director of Underwriting – New Segments. He was brought on to lead product development, distribution management, implementation of rating and pricing models, and underwriting for ISMIE’s expansion strategy. During his brief tenure with ISMIE, the subsidiary ISMIE Indemnity acquired business in a dozen new states.

Mr. Carroll began his insurance career at Chubb Specialty Insurance in 2000 with increasing levels of responsibility throughout his tenure, departing as a Senior Underwriting Officer in 2012. Prior to joining ISMIE, he was Director of Underwriting at Connecticut-based CMIC, a medical professional liability insurance company. Ed is a graduate of Georgetown University in Washington, D.C., and earned his juris doctorate, *magna cum laude*, from the Western New England University School of Law.

“ISMIE is fortunate to have Ed on our team. His promotion is an acknowledgement of his significant contributions to ISMIE’s expansion and business development growth,” said ISMIE Vice Chairman Paul H. DeHaan, MD. He added, “We also wish Al Allphin well in his retirement. Al has been an important ISMIE team member for more than 30 years and his leadership will be missed.”

ISMIE Executive Vice President Wayne de Nazarie added, “These are exciting times for ISMIE, and Ed’s the right person to assume underwriting leadership. He’ll play a key role in strengthening our partnerships with brokers and producers to further grow our imprint across the U.S.”
