ISMIE Adds Washington, D.C. to Coverage Map

Nation's Capital Latest Territory for Expansion-Minded Medical Professional Liability Insurer

Chicago, IL – [ISMIE Mutual Insurance Company](http://www.ismie.com) announced today that Washington, D.C. is the latest coverage territory in the leading medical professional liability carrier's national expansion.

Recently granted admitted status by the District's Department of Insurance, Securities and Banking ([DISB](#)), the company will offer wide-ranging medical liability coverage for health professionals, groups and health care facilities.

ISMIE is a premier provider of medical professional liability insurance and offers products that maximize protection and minimize worry. Health professionals in the District will now have access to ISMIE's top-tier risk management program, cyber liability protection and highly regarded claims services.

"ISMIE and our broker partners are excited to serve the diverse range of medical professionals in the nation's capital with a growing range of products and services available to ISMIE's national audience," said ISMIE Chairman Paul H. DeHaan, MD. "We are looking forward to supporting new policyholders caring for patients throughout the District and expansion areas beyond."
