ISMIE Expands Profile in Wisconsin *Top-10 physician insurer continues national expansion*

Chicago, IL – ISMIE Mutual Insurance Company and ISMIE Indemnity announced plans today for expanded product and service availability in Wisconsin. With a recently updated state rate filing, the companies will offer medical liability coverage for health professionals, groups and health care facilities. ISMIE is a premier provider of professional liability insurance and offers products that maximize protection and minimize worry. Wisconsin health professionals, groups and facilities will have access to ISMIE’s top-tier risk management program, cyber liability protection and highly regarded claims services.

“ISMIE has served medical professionals in Wisconsin for many years and we have exciting plans for our future in the state,” said ISMIE Vice Chairman Paul H. DeHaan, MD. “We expect a strong response as the Wisconsin health care sector becomes more familiar with ISMIE’s diverse products and services.”

ISMIE Executive Vice President Wayne de Nazarie added, “Over four decades, ISMIE has built a national reputation as a carrier known for its financial strength, unparalleled policyholder service and unwavering defense of physicians and health care facilities. As ISMIE continues its expansion, we look forward to strengthening ties with our new policyholders and the best agents and brokers in Wisconsin.”
