## **ISMIE Expands its Product and Service Lines in Missouri** *No. 1 Illinois insurer continues national expansion*

Chicago, IL – ISMIE Mutual Insurance Company and ISMIE Indemnity announced plans today for expanded service and product offerings in the state of Missouri. With a recent updated rate filing, the companies will offer medical liability coverage for individual health professionals, groups and health care facilities. ISMIE plans to pursue new business in Missouri as a component of its national expansion plan.

“For many years, we at ISMIE have been proud to serve our Illinois policyholders who have extended their practices into the state of Missouri,” said ISMIE Vice Chairman Paul H. DeHaan, MD. “Today, we’re very pleased to offer Missouri-based professionals our entire suite of products and services that have been developed and provided over 40 years in one of the toughest medical litigation environments in America.”

“Our risk management program, claims support and practice-specific coverage flexibility have made us No. 1 in Illinois and will address the needs of policyholders in the national marketplace,” said Wayne de Nazarie, ISMIE Executive Vice President. “We look forward to working with our agency partners to address the specific coverage needs of professionals, groups and health care facilities throughout Missouri.”
